

STACI E. SPERTZEL BLACK, MS

Heberling Associates, Inc.

Staci Spertzel Black joined Heberling Associates in 2008 as Archaeology Lab Director and Field Director. She has participated in archaeological projects throughout Pennsylvania, West Virginia, and Ohio and has extensive training and experience on both prehistoric and historic period sites. Prior to joining Heberling Associates, Ms. Spertzel Black held positions with the US Forest Service and the West Virginia State Historic Preservation Office.

Ms. Spertzel Black's responsibilities include project planning; field supervision and record keeping; artifact collection, processing, analysis, and repository preparation; report contributions; and GIS mapping.

Position

Archaeology Laboratory Director and Field Director
